

II INTERNATIONAL CONGRESS

early childhood education

Together, in company, we create the future beginning with early childhood

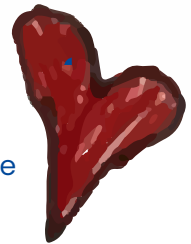

November 3- 5, 2020

Overall objective

Determine what we need to do together in Company of Mary Early Childhood Education to respond to the current moment and promote the development of 21st century skills.

Specific objectives

- 1 Reflect on the transformations that took place in educational centers since the First International Congress “Early Childhood Education key to the future” from January 8 to 12, 2017 Haro (La Rioja-Spain).
- 2 Analyze the learnings in the area of Early Childhood Education in these months of the COVID-19 pandemic.
- 3 Assess the innovations needed to implement in Early Childhood Education in this new reality.
- 4 Design a plan for interrelating and promoting mutual support, as a Universal Company, in this stage of Early Childhood Education.
